iCloud Mail: New_Old

March 2025

File name new_old.csv

File description This file contains information on the timestamp of the latest message the user has seen for each of the category views.

Why Apple keeps this information Apple retains this information in order to provide an indicator of which messages are new since the user viewed a category view.

Field Name	Details
Category Name Timestamp	The mapping of the new category name to the date and time it was updated
